

Firefly kan gratis hentes ved at gå ind på www.fonet.dk – Information.

Hent Firefly programmet og vejledningen.

Installer programmet og foretag opsætning iht. nedenstående . Brugernavn (Username) og Adgangskode (password) finder du på din personlige konto under punktet – Lokalnumre. Husk at du kun må anvende Brugernavn og Adgangskode på én opsætning! Du kan med fordel anvende 'Klip&Indsæt', men se godt efter, at der ikke kommer et mellemrum for meget eller mangler noget!
